Spring Cleaning

1. Is spring cleaning something you routinely did to freshen up your house after a long winter? Did you have a set time each year to do it?
2. Did your family divide up the spring-cleaning tasks, or were you "tasked" with them all?
3. Do you think having caution signs in place to warn people about slippery wet floors is a good idea for the home as well as businesses?
4. Which spring-cleaning task do you least enjoy doing? Which one do you least mind doing?
5. Can you find what doesn't belong in your newly cleaned house with your sparkling mopped floors? It's Junior's muddy sneakers that have tracked dirt all over the floor!
