

Fancy Orange Julius

Makes 4 servings

Ingredients:

- 1 cup orange juice
- 1/2 cup milk
- 1 teaspoon vanilla
- 2 tablespoons sugar
- 2 cups ice
- (Optional) 1/2 cup vanilla vodka

Directions

1. Combine orange juice, milk, vanilla, sugar, and ice in a blender.
2. Blend until smooth and frothy.
3. Add vodka if desired and blend briefly again.
4. Pour into glasses and serve immediately.

Fun Food Fact

During the 1970s, Orange Julius became a favorite “mall hangout” drink for teens, especially as indoor shopping malls and food courts exploded in popularity across America. Its frothy orange flavor fit perfectly with the disco-era love of sweet, fun treats, minus the alcohol for teens, of course.
